

YEXAH!

A2Z is India's leading device-care provider and offers Extended Warranty, Damage Protection, AMC Plans, and On-Demand Repair Services. A2Z covers all electronic devices and home appliances.

Their plans are widely available across retail stores and online marketplaces

The entire device ownership experience of the customer is centred around the brand or the retailer. Brands make fantastic gadgets and retailers are great at selling those gadgets. However, if something goes wrong, getting help from either the brand or the retailer is hectic and troublesome. This is where A2Z steps in to provide hassle-free and delightful customer service.

A2Z's award-winning customer service combined with their thoughtful plans ensure the best care your consumers can invest in for their devices & appliances.
